Can you communicate the no comment/unsolicited legal advice point to Jeananne Gettle and John Goodin, with a cc to me and Mary Walker and David Fotouhi? Thanks.

My apologies. I was not aware of this. As noted in the first paragraph below, OECA has no equities. Our programs are not affected. OECA has no comment.

The following paragraphs from OCEFT consist of unsolicited legal advice from someone not authorized to give it. Let me know if there is anything I can do.

Also, last summer I was told that the change in FL law made the issue go away. Maybe that was not true.

Jeaneanne,

We appreciate the opportunity to work on this issue and feel we made some good progress through our combined efforts. We have previously briefed DAA Bodine on this matter and expressed our concerns. With that being said, I believe she will concur with Florida's request since our federal enforcement authorities will not be impacted by this decision.
